Additional Services and arrangement to make your vacation more relax :

1. Apple Travel offer payment installment plans for your vacations:

You pay a deposit (minimum around \$200). Then, you settle the payment by monthly installment until the final payment due date. This will save some interest and extra fee by paying off the whole package at a time.

It is depending on where you are going and when you make reservation. Sometimes the special offer may require the full payment to be settled at the time of booking.

Apple Travel is pleased to announce our "Easy-to-go services". These services will include airport transfer and pick-up, cleaning services during your holidays, and tidy-up your house after you come back. We can also offer tailor-made services so as to make your trip a comfortable, enjoyable, and worry-free one.
